Likely, but unspecified[].
99. **Can husbands enroll in programs?**
Women-focused^{[1] [4]}.
100. **How to suggest improvements?**
Through partnership or participant feedback channels^{[2] [4]}.

Note: Information not found in sources is marked "[]" - consider adding through foundation outreach or additional research. For RAG implementation, supplement with:

- **Metadata:** Add timestamps (e.g., "2024 HerShakti cohort")
- **Embeddings:** Cluster by topic (programs, partnerships, tech)
- **Confidence Scores:** Weight recent initiatives (2024) higher
- **Context Linking:** Associate HerKey^[2], HerShakti^[3], and HerTech^[4] as related entities
- **Answer Validation:** Use foundation website^[1] as primary source for verification.
